

CLAIR Gallery is embarking on a new partnership with Artsy, the international network of elite galleries, museums, art fairs, and collectors. Artsy's objective is to connect art lovers with the art they love and to facilitate art education and collection. The network includes such esteemed institutions as the British Museum, the Guggenheim Museum in New York, and Art Basel. Learn more about the Artsy initiative [*here*](#)

"This is a thrilling development and I am excited to work with such a creative and dynamic group of people," says CLAIR Gallery director Anna-Patricia Kahn. "Artsy represents the future of art collecting and we are honored to be part of it."
